---

## **Previous Work**

During university, I traveled between university and Amsterdam to assist in the development of the mental health website [Black Dog Tribe](#). After winning their internal hackathon at M&C Saatchi (2012), I interned there as a web developer. During my time there, I worked on websites for Coca-Cola, Jameson Whiskey and made a web app for the 2012 Olympics.

---

## **Other**

I designed and developed the websites [Frazzled Cafe](#), [Future Resilience](#) and [The Kindness App](#) which had just over 8,000 downloads on iOS and Android.

---

## **Education**
